Late adds will be allowed August 31-September 9, requiring only the instructor's signature. Any request to add a class after September 9th will require signatures from the instructor, department, and Dean, and need to be accompanied by a petition letter to the Epicenter 104 FASB.

**A \$50 FEE WILL BE ASSESSED BY THE REGISTRAR'S OFFICE
FOR ADDING CLASSES AFTER September 9th.**

*****Before you elect to take a class CR/NC you should check with your Advisor.
Core classes used to compute your Engineering GPA need letter grades.*****

Withdrawal Procedures

*Please note the difference between the terms "drop" and "withdraw". **Drop** implies that the student will not be held financially responsible and a "W" will not be listed on the transcript. **Withdraw** means that a "W" will appear on the student's transcript and tuition will be charged.

Drop Period for Full Term Classes– No Penalty - Students may DROP any class without penalty or permission during the **FIRST 10 academic days** of the term (Friday, August 30, 2019).

Withdrawal from Full Term Length Classes - Students may WITHDRAW from classes, with a petition, until **Friday, October 18, 2019**. Beginning August 31st and until October 18th, a "W" will appear on the transcript **AND tuition will be charged**. Withdrawals after October 18th will only be granted due to compelling, nonacademic emergencies. Petitions and supporting documentation must be submitted to the Epicenter, 104 Frederick Albert Sutton Building (FASB). Petitions must be received before the last day of classes (**December 5, 2019**). **Drop/Withdrawal from Session I & Session II**. See the web page for details: <https://registrar.utah.edu/academic-calendars/fall2019.php>

Repeating a Course

A course may be repeated up to three times. When a class is taken more than once, only the grade for the final attempt is counted. Grades of **W, I, or V** on the student's record count as having taken the class. Attempts of courses taken at transfer institutions count as one attempt. This means a student may take the course only two additional times at the University of Utah. Please work with your department advisor to determine the value of repeating courses.

Appeals Procedures

See the Code of Student Rights and Responsibilities, located in the Class Schedule or on the University of Utah website for more details.

Appeals of Grades and other Academic Actions

If a student believes that an academic action is arbitrary or capricious he/she should discuss the action with the involved faculty member and attempt to resolve. If unable to resolve, the student may appeal the action in accordance with the following procedure:

1. Appeal to Department Chair (in writing) within 40 business days; chair must notify student of a decision within 15 days. If faculty member or student disagrees with decision, then,
2. Appeal to Academic Appeals Committee. <https://regulations.utah.edu/academics/6-400.php>
(See II Section D, Code of Student Rights and Responsibilities for details on Academic Appeals Committee hearings).

Academic Advisors

Academic advisors are educators and problem solvers who advocate for students as they navigate their personal journeys through higher education and attain their academic goals. Through inclusion and connection, academic advisors open doors to new opportunities for self-awareness and growth, empowering students to define their roles as citizens within local and global communities.
