DO YOU CARE ABOUT THE ENVIRONMENT, BUT WANT TO PURSUE YOUR PASSION?

If you like...

Astronomy

You will love...

Mining
• Introductory Surveying (MG EN 2400)

If you like...

Biomedical Engineering

You will love...

Metallurgy
• Introduction to Metallurgical Engineering I (MET E 1630)
DO YOU CARE ABOUT THE ENVIRONMENT, BUT WANT TO PURSUE YOUR PASSION?

If you like... Chemistry  You will love...

**Atmospheric Sciences**
- Introduction to Atmospheric Science (ATMOS 5000)

**Geology & Geophysics**
- Evolving Earth (GEO 1100)
- Reactive Earth (GEO 2100)
- Mineralogy (GEO 3020)

**Metallurgy**
- Introduction to Metallurgical Engineering I (MET E 1630)
- Metallurgical Thermodynamics II (MET E 3630)
- Physical Metallurgy I (MET E 5260)
DO YOU CARE ABOUT THE ENVIRONMENT, BUT WANT TO PURSUE YOUR PASSION?

If you like... Climate Change

You will love...

Atmospheric Sciences
- Climate Change (ATMOS 1020)
- The Climate System (ATMOS 5400)

Geology & Geophysics
- Evolving Earth (GEO 1100)
- Energy Choices for the 21st Century (GEO 3368)
- Computational and Numerical Methods in Applied Geology (GEO 3400)

If you like... Computer Science

You will love...

Geology & Geophysics
- Computational and Numerical Methods in Applied Geology (GEO 3400)

Mining
- Computational Skills (MG EN 1050)
DO YOU CARE ABOUT THE ENVIRONMENT, BUT WANT TO PURSUE YOUR PASSION?

If you like... Construction Engineering

You will love...

**Mining**
- Introduction to Mining (MG EN 3010)
- Surface Mining Methods (MG EN 5020)
- Engineering Design (MG EN 5040)
- Rock Mechanics Applications (MG EN 5160)

If you like... Film

You will love...

**Geology & Geophysics**
- Earth Science in the Cinema (GEO 1000)
DO YOU CARE ABOUT THE ENVIRONMENT, BUT WANT TO PURSUE YOUR PASSION?

If you like... Geography

You will love...

Atmospheric Sciences
- Severe and Unusual Weather (ATMOS 1010)
- Climate Change (ATMOS 1020)

Geology & Geophysics
- Evolving Earth (GEO 1100)
- Wasatch in the Field (GEO 2500)
- Living with Earthquakes and Volcanoes (GEO 3030)
- The Oceans (GEO 3800)
- Geomorphology (GEO 5270)

If you like... Geographic Information Science

You will love...

Mining
- Introductory Surveying (MG EN 2400)

College of MINES & EARTH SCIENCES
THE UNIVERSITY OF UTAH

Fall 2022
DO YOU CARE ABOUT THE ENVIRONMENT, BUT WANT TO PURSUE YOUR PASSION?

If you like...   You will love...
Hazards          Atmospheric Sciences
                  • Climate Change (ATMOS 1020)
                  Geology & Geophysics
                  • Living with Earthquakes
                  and Volcanoes (GEO 3030)

If you like...   You will love...
Health           Atmospheric Sciences
                  • Climate Change (ATMOS 1020)
                  Mining
                  • Mine Ventilation and Air Conditioning
                  (MG EN 5050)
DO YOU CARE ABOUT THE ENVIRONMENT, BUT WANT TO PURSUE YOUR PASSION?
